Barre granite monuments of imposing appearance are to be dedicated Saturday in memory of the soldiers and sailors who enlisted from the towns of Barre and Wheelock during the war between the states. Both memorials were cut by Jones Bros. of this city and are all ready for the dedicatory exercises. Each is built on liberal lines and in the dies bronze plates with the names of the soldiers and sailors inscribed thereon have been sunk. The castings were made by Charles Sabaret Co., in New York City. James W. Goddard seminary's track team met in the gymnasium yesterday afternoon and elected Wallace Guernsey of East Calais to act as captain of the 1916 team. Guernsey is one of the foremost athletes at the seminary and his elevation to office is said to be popular with the student body and others who have followed the fortunes of the school track team. In the recent interscholastic meet at Burlington, Guernsey won second position in the half-mile event and took fourth place in the pole vault, bettering by six inches in the meet any record he ever made while in practice. Twelve members of this year's track team will form a strong nucleus for the 1916 team. Among them are Connor, who was second in the 100-yard dash, second in the broad jump and third in the hammer event at Burlington; Farrell, who won third position in the hurdles; Quinn, who got first honor in the high jump and second position in the shot put; and Wilson, who was fourth among the competitors in the hammer throw.

It is also announced that Frank Plimley of Northfield, ex-governor from the second district, will deliver the address before the commencement class graduates at their exercises on the evening of Tuesday, June 8.
